

MERG Croydon Area Group

[MERG Home page](#) [Area Groups](#) [Public pages](#) [Croydon Public Page](#)

The Croydon Area Group was created in April 2022 and meets monthly at the Croydon Model Railway Society (CMRS) at its club house in South Croydon.

The format of meetings varies but include the following elements: -

- presentations on a variety of topics, recent presentations include DCC++, Sensors
- Demonstrations including mimic panels and automated shuttles
- beginners sessions
- sharing experience and skills
- assistance to members with kit construction issues
- construction of a coal tipler
- learning about the application of JMRI and CBUS to automate layouts.

CMRS makes a number of test layouts available to allow experimentation and encourages participation in the application of electronics to club layouts.

The club is accessible on the following bus routes.
