How do you meet?

The ACT Area Group is the MERG Area Group for Southern NSW and the ACT and is one of three Area Groups in Australia.

Meetings are held to suit members and have been only in the ACT to date, however they can be in NSW if there is enough interest.

Given the area we cover most contact between members is via e-mail and the MERG Forum, although video conferencing, such as Zoom, is expected to be used in the future.

Meetings

At present meetings are held approximately every three months.

This is our schedule going forward.
