How do you meet?

The South East Queensland Group is one of three groups in Australia and it offers meetings for those members located in or visiting the south east corner of Queensland that encompasses Brisbane, the Gold and Sunshine Coast areas.

Normally we hold meetings/workshops every month on the first Saturday on the northside of Brisbane. Our meetings consist of two parts - the morning is a workshop where you can work on your projects or on the group project with opportunities to seek assistance from other members. In the afternoon, we generally have a presentation on a topic of interest related to model railway operations.

At the moment, we are holding zoom meeting on the first Saturday of the month from 2.30pm Brisbane time.

Meetings

This is our schedule going forward. Please refer to the MERG diary for update of meeting details.

Date	Event	Description	Location	Link
------	-------	-------------	----------	------
