Meetings

Next meeting (14th) is likely to be held in September 2019 in a Member's home on a Wednesday or Thursday evening.

It is also envisaged that next Autumn and Spring will see two all day weekend workshops organised. One will be aimed at beginners, the other for more experienced users of Merg kits and designs.

See MERG Forum for more details.

Exhibitions:

Annual Bristol Exhibition is at Thornbury Leisure Centre for 3 days over the Spring bank holiday weekend (end of April/start of May). We had a stall like most years in 2019, where we demonstrate Merg kits in action and use of cameras and other electronics. I think we are a friendly bunch and not too frighteningly over-tecchy.

Please do visit for a chat in 2020 or use the contact form to reach the Area Group co-ordinator.
