Meetings

We hold evening meetings roughly every other month. We are also starting Saturday workshops to help beginners with soldering, kit construction and fault finding. Both evening meetings and workshops are held at the Synod Office of the United Reform Church, Cardiff Minster Rd, Cardiff CF23 5AS. The group also has a demo stand for use at exhibitions including many MERG kits.

There will be a Saturday Morning Workshop on 19th October at 9:30am.

The next meeting will be on Wednesday, 18th September 2019, at 7:30pm. Please see forum for details.
