and sign up to this Area Group. If you are already a member

[Join the Cumbria Area Group](#)

Select **Cumbria Area Group** from the drop down list in **Other Area Groups** and press the **Subscribe to Area Group** button.

How do you meet?

Whilst restrictions are in place, we are using Zoom video calls.

An inaugural meeting using Zoom was held on Friday 21st August. We now meet on Zoom, alternate Fridays at 2pm.

So far we have had presentations on CBUS beginners kit 101, Power Supplies and Regulators. See the meeting list below for dates and subjects.

In our most recent session members expressed an interest in future presentations on 3D printing and SMD soldering. So both these topics will feature soon.

We welcome new members.

And the Next Meeting?

Date	Event	Description	Location	Link
14:00 17-Jan	Arduino presentation. CAG entry	A joint meeting with Cumbria, Scottish Borders and Wales North. David Roberts will present on the Arduino.	Online using Zoom	
14:00 29-Jan	Cumbria AG Zoom Meeting - SMD soldering	SMD soldering for the kitchen table by Alan Turner.	Online Zoom Meeting	
14:00 12-Feb	Cumbria AG Zoom Meeting - Developing Requirements.	Simon West will give his presentation: Developing Requirements - things to think about when deciding on a model railway layout and its control.	Zoom	
14:00 26-Feb	Cumbria AG Zoom Meeting - TBA		Zoom	

Our Blog

A blog site shared with the Scottish Borders Area Group has been set up for informal communication during these current Covid-19 restrictions

It can be accessed here [Cumbria and Scottish Borders Blogspot](#)

How do Video Calls Work?

To participate, members need a mobile phone, tablet or a PC / Mac with a camera and microphone.

Calls are scheduled in advance and members are informed as to time and date via MERG systems. A meeting number and password are provided.

When it is time to start a call, a voice and video conference is opened up which has thumbnails of each video participant and any shared presentations or desktops. The call leader facilitates the call and the discussions and tries to get through the agenda in the agreed time. Zoom has two views available. The first is the speaker view which selects the video stream from the person speaking. The second is Gallery view which shows streams from all participants.

If you would like to try out Zoom, then there is a test meeting service where you are the only participant and you can experiment with the various options available.

[Test Zoom](#)

This link is available to anybody, not just members of the area group.

Why not try out our [blog](#) for the Scottish Borders and Cumbria
