Secretary

M1925 Paul Howes *Group Coordinator*

M6426 Nicholas Biddle *Deputy Group Coordinator*

M4418 Anthony Braithwaite *Group Communications Officer*

Meetings

As of February 2018 the group has decided to increase the frequency of meetings from every two months to every month. Alternate months will be held as a practical workshop with discussions and presentation topics in between.

Workshops

- Members bring their own kits to assemble with help from others in the group where required
- Members bring their own built kit for where they have failed to get it working or need to share test equipment
- Any electronic kit is welcome not just MERG kits
- Members work on the current group project together
- Members interconnect working kits and add hardware to learn how kits can work together
