Secretary

M1925 Paul Howes *Group Coordinator*

M6426 Nicholas Biddle *Deputy Group Coordinator*

M4418 Anthony Braithwaite *Group Communications Officer*

Meetings

As of February 2018 the group has decided to increase the frequency of meetings from every two months to every month. Alternate months will be held as a practical workshop with discussions and presentation topics in between. Dates for meeting are held in the [MERG meetings diary](#).

The meetings are Sometimes held at the Yeovil Model Railway Group building near Martock, Somerset but currently we have moved them to St James Church, Preston Road, Yeovil. Anyone wishing to attend a meeting can get directions from the group via the contact form.

Workshops

- Members bring their own kits to assemble with help from others in the group where required
- Members bring their own built kit for where they have failed to get it working or need to share test equipment
- Any electronic kit is welcome not just MERG kits
- Members work on the current group project together
- Members interconnect working kits and add hardware to learn how kits can work together
