Meetings

Dates for 2013-2014

- 21st Sept 2013
- 16th November 2013
- 18th January 2014
- 15th March 2014
- 17th May 2014

All these dates are the third Saturdays of the odd numbered months

Please note these dates in your diary so that we can have an increasing attendance at our Area meetings.

September 21st 2013

The first meeting of the new session will take place on Saturday 21st September commencing at 2.00pm. The venue will be the premises of Huddersfield Railway Modellers whose address is:
Stonefield Mill, Tanyard Road, Milnsbridge, Huddersfield, HD3 4NA
A very good description of the location and a map can be found on the Club website under 'Location' atHuddersfield Railway Modellers
We must thank the Officers and Committee of Huddersfield for their generous permission to use their Club Rooms which are very spacious.

Our main speaker will be Chris Parsons who will describe the problems he encountered as he learned to use the MERG Flim Configuration Utility. Chris is a newcomer to this type of electronics and his talk will, I am sure, encourage those who are undergoing a similar exercise so that they, like Chris, can reach a successful conclusion. This talk will no doubt be followed by the usual group discussions.

November 16th 2013

Our November meeting, on the 16th, is a meeting at a large O gauge layout in the North West (bring your passports!) which makes extensive use of DDC and CBus. Details will be sent nearer the time. **Please note that there is a restriction on the numbers who can attend so please let me know if you would like to attend as soon as possible.**
